pauli® PERMANENT MARKERS

Made in Austria

This universal Permanent Marker has a new developed marking ink

- which is water-resistant and instant drying
- for marking on nearly all materials
- has an extreme long durability due to a **bigger ink reservoir** with more ink than any other available Permanent Markers
- our ink has an **extended cap off time** of many days if the Permanent Marker is left uncapped. (cap off time can vary depending on colour, type of tip and temperature)
- After re-capping the regeneration of the ink flow is very quickly done.
- Available in chisel tip 5 mm and bullet tip 3 mm
- Available in the colours: black, blue, red, green

Packing:

- in an attractive printed box of 12 Permanent Markers/colour and in an outer carton of 12 boxes/12
- in a glass clear PP wallet with hanger for 4 Permanent Markers in the assortment of black, blue, red, green and in an outer carton of 24 wallets/4
- single in a glass clear hanging bag for 1 Permanent Marker with an outer carton of 72 bags/colour

Shelf Life:

- Average 2 years for original closed Permanent Markers under normal storage conditions means in a permanently air-conditioned place with 20 – 23 degrees. The shelf life can get shorter due to special climate and storage conditions at your end.
